

# IMAGINE THE POSSIBILITIES

Snap the magnet and WIN!

## The Revolutionary snapNwin™ card.

SnapNwin™ not only promotes your brand, but drives customers to your business or website. Perfect for event marketing, trade shows, sweepstakes and incentives, to support fund-raising activities or employee rewards. The possibilities are endless...

The award winning design combines an instant win card with a keepsake magnet. Variable print, collector images and custom die shapes give snapNwin™ the extra leverage that brings results.

Your promotional message goes on the front and back of the card. Snap it open to reveal the hidden message inside. Best of all, the snap out portion is a collectible magnet!

When combined with a customizable web entry feature, snapNwin™ becomes a one stop, turnkey solution to build customer databases, drive web traffic and create promotions that are measurable.

Available in businessCard, superCard and self-mailer postCard size. SnapNwin™ is the product of choice for guerilla, event and street marketing venues!

SnapNwin™ is reported to be the most unique and effective grass roots marketing tool to hit the marketplace in decades! Imagination is all that is required to unleash its power for your next promotion.
