

## snapNwin® Arrow for North America.

The following arrow in english or french must appear on all cards exactly as shown below. The words may be black or white as required to contrast well with background. No changes in the image stroke or fill or shape, or text color, size or orientation of text is permitted. Images below are in outlines and can be copied and pasted or placed into artwork. Also note any text including "snapNwin" must include superscript "®" indicating a registered trademark, and no potentially confusing text including the words "snap" and "win" together or in similar phrase can be used.

**Any questions please contact SnapNwin Inc.**

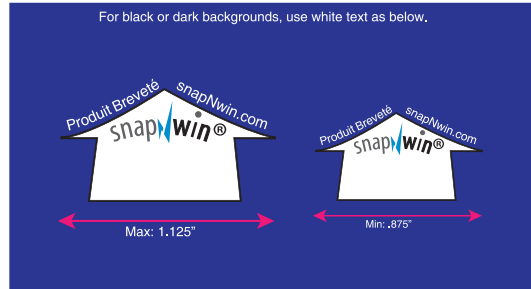

**For light or white backgrounds, use black text as below.**

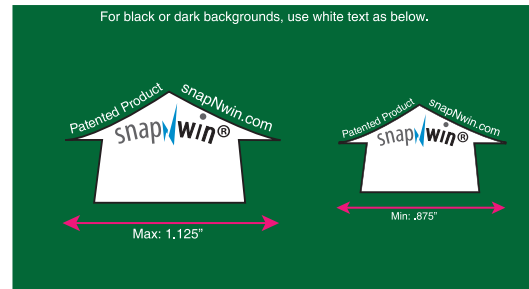

**French Language**

**English Language**

For black or dark backgrounds, use white text as below.

For black or dark backgrounds, use white text as below.
